LETTER OF RECOMMENDATION

I am pleased to recommend Miss Palak for admission in your university for the next academic year. She was my student in 12th class and passed in session 2021-22. I have taught her subject Economics.

Her overall performance in the subjects has been good and I have always found her to be very committed and hardworking. She has always impressed me with her clarity in subjects and innovative ideas. She is a bright and intelligent student and always aspiring to obtain knowledge.

She has also participated in co-curricular activities in the school and has good organizational skills.

I strongly believe that Miss Palak will be an asset to the institution. I wish her good luck for all her programs.
