Hasveer / Simpy

Adms

Simarjeet (hasveer)

After completing my senior secondary education in 2023, I decided to take a proactive approach in developing a strong foundation in my area of interest: computer science. Recognizing the growing importance of technology in various sectors, I began by exploring foundational programming languages, starting with Python and Java. This structured learning allowed me to practice coding regularly, which significantly improved my problem-solving skills. It motivated me to pursue formal education in this field, as I am eager to gain a deeper understanding of computer science principles and apply them to create innovative solutions. I am excited about the opportunity to further my studies and contribute to the ever-evolving tech landscape.
