Dear Neeraj Kaliraman,

Congratulations! I am very pleased to inform you that you have been granted admission to California State University, Fresno. You have been admitted as a new **Freshman** student to the **Computer Engineering** program beginning in the **Spring 2025** Semester. We are confident that you will be successful at Fresno State and will thrive in our diverse, upwardly mobile community of learners. Sunny Fresno awaits you!

California State University, Fresno has been Central California's #1 institution for higher education for over 100 years. Here you will have access to globally-recognized programs, renowned faculty, and a full range of support services, activities and organizations.

In terms of estimated cost of attendance for international students like yourself, California State University, Fresno is the most affordable public university in California. Take it from me - I moved from San Diego, California here to Fresno, in part because of affordability considerations, and all of the many things this great university and city has to offer.

For detailed information regarding support and services for newly admitted students, please visit <https://cge.fresnostate.edu/international/admitted/checklist.html>.

Once again, hearty congratulations. We look forward to welcoming you to Fresno State. Go 'Dogs!

Warm regards,

Eddie West
Assistant Vice President, International Affairs
