(Jasleen Kaur)

+2 (Comm) → BBA

After completing my 12th grade in commerce, I chose to assist my father in his event planning business. This decision proved invaluable, as it allowed me to gain hands-on experience in critical areas such as client communication, budgeting, and event logistics. Through this practical involvement, I not only enhanced my organizational and managerial skills but also developed a deeper understanding of the intricate business dynamics within the event management industry. This experience ignited my passion for the field and underscored the importance of formal education in business. Motivated by these insights, I am now eager to pursue a Bachelor of Business Administration to build on this foundation and further refine my skills in business management.
