

I Harsh personally believe that one way to become successful in life is to set your own goals and I have that desire and willpower, to complete these settled goals. I want to tell about my educational attainment as well, I did my Matriculation in the year 2020 from Adarsh Public School, Karnal and my Senior Secondary Education in the year 2022 from Adarsh Public School, Karnal. My aim is to do a job in a reputed MNC company and to fetch that job I should have a different point in my CV. So, I decided to pursue a management degree from Lincoln University in United States of America.

The U.S. has one of the world's finest education systems, with excellent programs across all disciplines. The Academic study and experience from a U.S. university has a very positive reputation in the international job market. An education from this country will dramatically enhance my long-term career goals. The experience I will gain will build my critical thinking skills, develops self-confidence and cross cultural skills and all of these attributes are highly valued by employers worldwide. The US has always been a destination of choice for international students and the country has always been consistent with the quality of education it offers. The program structures in USA lays equal emphasis on building a strong theoretical base along with importance on practical, employment-related skills. Therefore, considering all these reasons I chose this country.

The Lincoln University makes sure that every part of their students' education serves a purpose and bring them closer to accomplishing their professional goals. Their excellent and rigorous curriculum, outstanding faculty and convenient facilities provide all the necessary components to ensure my path to a successful future. This university is one of the youngest and most dynamic institutions in California. This university will provide me a professional education and I will be prepared for active participation, career advancement, and leadership in the global society. Lincoln University intentionally embraces diversity and equal opportunity. Each program within this university is designed to ensure that all of the acquired knowledge and skills are valuable to its

graduates, providing a practical and solid foundation for the student's future.

I selected to do Bachelors in Business Administration. A good BBA program will provide me a measurable increase in salary as compared to other degrees. The curriculum is focused on group discussions, projects, presentations, and industry visits. This academic path will prepare me for a vibrant career and also help me grow on a professional and personal level. I will be prepared to become successful in a constantly changing environment, offering the tools you need to keep growing and keep developing as a successful professional in the global business world. As a result, I will be prepared in terms of personality, develop confidence, and I will also learn to communicate well. I will be developed as a polished individual.

I can easily work on job roles such as Project Manager, Operations Manager, Human Resource Manager, Team Leader etc. I can even work in the government sector on various job profiles. I know I have the determination, endurance and enthusiasm needed in this fascinating and rewarding career.

With the advancement in technology change in the traditional business strategies has become the need of the hour.

I am **Harsh** a resident of **Karnal, Haryana, India**. I completed my **Matriculation** from **Adarsh Public School, Karnal** in **2020**. Further, I completed my **Senior Secondary Education** from **Adarsh Public School, Karnal** in **2022**.

USA is a beautiful and welcoming nation that offers the best education in the world. It offers top-notch education by the top educationists. USA is one of the best nations to consider when planning studying abroad. With a variety of benefits to offer USA is my choice since it provides quality education, unique curriculum, and multicultural environment. The education system is flexible and provides abundant opportunities. The lively and vibrant campuses, cultural diversity and hospitality offered the international students are impeccable and add up to make USA a dream study destination. USA has a good number of universities to choose from. After an in-depth research I have selected my dream college **Gannon University, USA**.

Gannon University has two beautiful campuses which offer a variety of courses to choose from. The unique location and facilities create a special atmosphere conducive to learning, scholarship, research, service, and personal growth. Gannon is a Catholic, Diocesan University and therefore the curriculum and traditions followed are majorly inspired by catholic culture that is comprehensive, value centered learning experience emphasizing on faith, leadership, inclusiveness and personal development. I have chosen to pursue **Bachelors in Computer Science**.

Through this course I will be able to learn that how to apply the computing knowledge efficiently in order to solve practical problems. The demand the professionals in this field will stem from greater emphasis on cloud computing, the collection and storage of big data, and information security and this course will make me eligible for these positions. I will also learn that how to collaborate effectively to design and implement solutions to computational problems. A master's degree will create opportunities for advancement as a computer and information systems manager, computer and information systems security analyst, system and application software developer, system analyst, data center

administrator, data analyst, computational scientist and more. I am a firm believer that I will be able to excel and succeed in my career by making my aforementioned choices.
