Letter of Recommendation

I am writing this letter to give my highest possible recommendation for Gurnoor Singh who was a student in Modern Senior Secondary School, Opp. Army Gate No.2, Tibri Cantt, New Shalle ,Gurdaspur ,Punjab.

The first time I got the chance to know Gurnoor Singh was when he represented our School in an inter school competition. He made all of us proud of him. After that his name started to be known among all the teachers even the ones who don't teach him. The supervisors and of course the students.

Gurnoor Singh is bearing a good leadership potential and is known for his sense of responsibility. I can vouch that He is one of the best and kind hearted student that I have encountered in my carrier; He is an energetic, enthusiastic leader in all jobs of her class well as voluntary activities held by school school. Gurnoor Singh is also very responsible to his work and is able to handle the pressure of deadlines very well. He has an extremely amiable personality and is popular among his classmates as he shows great consideration and deep respect for others. Being honest and hardworking. He demonstrates the best of behavior.

In summary, I strongly believe that his perseverance, intellectual ability and enthusiasm for learning and working are qualities that should help him well in his future. He is undoubtedly the type of student that has the potential for great success at the school level. His indefatigable efforts combined with his works ethic and ability to self-improve are recipes for success in the year to come. I think He would be an outstanding asset to your higher education programme. I give him my highest recommendation.

Sincerely
