Sehajpreet Singh GAP 2023 ( 2023) (+2 COMMERCE TO ACCOUNTING)

(Sakshi)

To expand my expertise in accounting, I decided to thoroughly analyze the financial status of my father's mobile accessories and small gadgets dealership, after completing my studies in 2023 . This strategic move aims to gain deep insights into the financial health of the business, inform decision-making, and drive sustainable growth through effective financial management. I believe that by enhancing my knowledge in accounting, I can pursue a career as an investment banker and also support my father in creating practical budgets based on historical financial data. This proactive approach allows the business to plan for future expenses and investments in key areas such as product development and store expansion. Accordingly, I have applied for the 2025 intake at a university in the USA to fulfill my ambitious future goals.
