Jaspreet Kaur
21/11/24

upon completing my 12th grade, I faced the challenging necessity of prioritizing my family's well being due to my mother's declining health. This period profoundly highlighted the vital role that home health aids play in enhancing the quality of life for individuals facing health challenges. Through daily interactions and the emotional support in caregiving, I uncovered my passion for the health-care field and gained a deep appreciation for the need to formalize my knowledge and skills. As a result, I am now applying for Bachelor's R.N. program which will equip me with the necessary training and expertise to contribute to the healthcare community.
