My name is Mr. Vikesh Garg, Designation: Principal at Springdales public school, Sangrur. I am honored to recommend my student Piyush S/o Sanjay Kumar for the higher studies at any university, college or institute in India and abroad. I have known Piyush for the past Two years. Throughout his period with us, I have interacted with his on an academic and personal level, and without mincing words; I can say that his excellence and commitment in, whatever he does is unprecedented. I am delighted to have the opportunity to teach such a sharp, inquisitive, and brilliant youngster.

Moreover, he has excelled greatly in his class and even passed **Grade 12 (Commerce)** with **Regn. He is always punctual to classes and has always submitted his assignments and term papers before the stipulated deadlines. He also has my highest recommendation for admission to any program or course as he has shown excellence in all that he is given to do, whether it's practicing in a group or designing an experimental project. His infinite curiosity and risk-taking abilities make me believe there will be no stopping his growth and achievements in college and career.

I have spoken to Piyush in detail about his long-term goals and I strongly believe that he will prove herself a valuable asset for any university, institute or college which is bent on helping students explore their potentials and paths in innovations.
