Prabhsreed

After completing my senior secondary education in 2023, I decided to join my mother's boutique business, where she specializes in costumes, jewelry, and various accessories. While working alongside her, I realized that despite her hard work, the business was not achieving its full potential due to a lack of exposure and modern strategies. After discussing this with her, we agreed that launching an online e-commerce platform could significantly improve our business efficiency and increase sales. However, I quickly recognized that I lacked the necessary knowledge and skills to make this transition effectively. This experience sparked my interest in pursuing a business degree with an international perspective. I believe that formal education will provide me with the tools and insights needed to not only help our family business thrive in the digital marketplace but also to understand global business practices. My goal is to combine my passion for fashion with strategic business knowledge to create a successful and sustainable online presence for our boutique.
