Mohit

After completing my senior secondary education in 2021, I decided to join hand with my father in our family restaurant business. During this time, I gained valuable experience in customer service, inventory management, and food safety protocols. However, I soon realized that while I had a solid grasp of the operational side, I lacked essential entrepreneurial skills needed to drive business growth in today's competitive landscape.

Mayur
03/10/2021

I observed that many restaurants were successfully leveraging digital platforms for marketing and sales, which highlighted the importance of establishing a strong online presence and implementing effective digital marketing strategies. This experience made me acutely aware of the knowledge gaps I needed to fill. I decided to pursue a Bachelor's degree in Business Administration with a focus on Entrepreneurship. I believe this program will equip me with the foundational knowledge in business principles, financial management, and strategic marketing necessary to modernize and expand our family business.
