Aryan Singh [2023 GIAP] +2 Non-Medical
to
Bachelor of Computer,

I have always been fascinated by the technical field. After completing my studies in 2023, I decided to prioritize addressing the needs of today's tech companies. According to survey results and experts, cybersecurity threats are a major concern. The increasing incidents of hacking and data theft can compromise sensitive information. Additionally, malicious software can lock systems, demand payment for access, and disrupt company operations.

Recognizing the demand for cybersecurity analysts, and to do my further studies and I applied for a Bachelor of Computer Science and received my I20 for the 2025 intake.
