Tashandeep (Kaileen) + 2 Auts to BBA
2 years experience in Starbucks. (2019 - GAP) [K]

After completing my senior secondary education in 2019, I developed a deep passion for cooking, which I shared with my mother. Together, we began experimenting with recipes using organic produce from our own fields. This led us to start a tiffin service, providing home-cooked meals to paying guests and tenants in our area. The overwhelming positive response we received made me realize the potential of organic food in the business world. Motivated by the idea of building a reputation in the culinary industry and making my parents proud, I set a long-term goal of opening a chain of restaurants that focus on organic food. To gain practical experience, I took a job at Starbucks, a renowned brand in the hospitality industry. Over time, I acquired valuable skills and insights into restaurant management. Now, with the experience I've gained, I feel ready to take the next step toward achieving my goal. Pursuing a BBA in the USA, for which I've applied for the 2025 intake, is the first step toward turning my vision into reality.
