After completing my sr sec. in 2020, I immerse myself in photography, which has always been my passion. During this time, I worked on myself and built a diverse portfolio, and gained valuable hands-on experience in capturing moments and telling stories through images. I quickly realized that to elevate my photography from a hobby to a successful ~~brand~~, I needed to develop a strong understanding of business principles. by which I decided to pursue a Bachelor of Business Administration. My goal is to merge my creative skills with essential business knowledge, such as marketing, brand management, and entrepreneurship. I envision creating a photography brand that not only showcases my work but also resonates with clients on a deeper level. By gaining insights into market trends and effective branding strategies through my Business program, I believe I can successfully establish a unique identity in the photography industry and connect with a broader audience. I'm excited about the journey ahead and eager to learn how to turn my passion into a thriving business.
