## TO WHOM SO EVER IT MAY CONCERN

I am happy to recommend **Puranjot Singh S/o Mr Surjeet Singh and Mrs Harpreet Kaur** for a place in your institution as he was a good student and would prove to be an asset to your institution. He has done XII Commerce under CBSE Board Roll no **13713428** in session 2022-23. His registration no is **C223/21025/0004**. He was our student from **16-03-2015 to 31-03-2023**. His admission no is **538**.

He was very conscientious student. He is quite a disciplined, hard working and well mannered boy. He maintained good grades. He willingly took part in all co-curriculum activities and school sports. He was fortunate to have excellent skills and has helped in organizing social activities in school.

I am convinced that he would make a valuable contribution to your institution as well.

I wish him luck and success.

## TO WHOM IT MAY CONCERN,

I am pleased to recommend Puranjot, who excelled in my Economics classes at Delhi Public School, Sangrur, during 2021-22 & 2022-23 sessions. Puranjot consistently demonstrated outstanding analytical skills, a deep understanding of economic concepts, and excellent performance in assignments and exams. He also displayed strong leadership in group projects and effective communication skills. His enthusiasm for Economics is evident through his active participation in related extracurricular activities and competitions. Puranjot is a dedicated, intelligent, and hardworking student who I am confident will excel in any future endeavors.
