GAP 2018.

After completing my studies in 2018, I began working as a Plant Supervisor at a company named XYZ. I held this role for an extended period, gaining valuable experience. Alongside, I pursued opportunities in the government sector, appearing for various exams. Eventually, I secured a position in the administrative department at Punjab University, where I am currently employed. While working at the university, I realized the importance of strong management and administrative skills to advance into higher positions. This insight motivated me to pursue a Bachelor of Business Administration (BBA) in the USA, where I could gain comprehensive knowledge in these areas. I began preparing my application and am pleased to have received my I-20 for the upcoming 2025 intake.
