LETTER OF RECOMMENDATION

I would like to recommend **Ms. Lavinya D/o Vinod Kumar** into your institute for her higher qualifications. I have known her as a student for three years and found her to be a very quick study ambitious leader.

During my association with her I realized that her academic record was remarkable during **B.A** which truly reflects her dedication and sincerity towards her work. Her self-confidence and code of conduct is something that holds the other person in awe.

In my belief these qualities would make her a very good student. Conversely, your institute will help her with the highest skills, experience and qualifications for her bright future. You can contact me at any point should you have questions about this recommendation.
