Acts to BBA - 2021

After finishing school in 2021, my learning didn't stop—it just moved out of the classroom and into real life. My father runs a ~~beauty studio~~ ^(beauty studio) and I started helping him. At first, it was simple tasks. But soon, I became curious: How do we attract more customers? How do we build a name people remember? I started exploring branding, customer service, and even played around with online promotions. The more I got involved, the more I realized how much I loved the business side of things. But I also understood that passion isn't enough. To really lead, innovate, and grow, I need the right education. That's why I decided to pursue a BBA in the USA—to blend my real-life experience with world-class business training.
