Criminology  
(Rohit)

During my school years, I saw many children, both on TV and in real life, involved in various criminal activities, which made me wonder about the reasons behind their actions. So, After completing my senior secondary education in 2024, I decided to study more about criminology, particularly focusing on juvenile delinquency. I learned that the rising number of juveniles committing serious crimes is a concerning trend in India. This realization pushed me to explore the factors that lead young people to commit crimes and the importance of effective rehabilitative measures. Seeing this societal gap, I decided to pursue a Bachelor's in Criminology to understand these issues better and contribute to finding solutions. accordingly, I applied for the present 2025 intake.
