Dear Ayush,

I am pleased to inform you that you have been accepted to Avila University to pursue a Bachelor's degree on campus in Business Administration at Avila University for the Spring 2025 semester. Congratulations! You are **required to complete the arrival form, attend the pre-arrival orientation, and participate in the on-campus orientation from January 4-6**. Spring classes will begin on January 6 and end on May 4.

Here are the key dates for Spring 1:

January 4th move in day/Arrival

January 5th International Orientation/ Shopping Trip

January 6th Class begins

January 6th-10th New Student Orientation

F-1 visa students are required to enroll in a minimum number of credit hours, depending on their academic program (typically 12 credit hours/4 courses for undergraduate programs).

If you have completed university-level work in your home country, you are required to complete a course-by-course evaluation of your university transcript (course/grades). The course-by-course evaluation report must be received by our office **before enrollment**. Failure to submit this evaluation will prevent you from enrolling in spring courses.

Health insurance is mandatory for all F-1 students. The total fee for insurance, books, and additional fees for the 2024-2025 academic year is \$2,746. The health insurance fee will be charged to your Avila student account. We highly recommend consulting with our office before purchasing your own insurance policy to ensure it meets the university's requirements; otherwise, you may be charged for both policies.

I am honored to have you in the program and trust that you will be a great success. Avila is so confident in your ability to succeed that we are offering you a scholarship of \$25,815 per year to cover tuition. Scholarship requires students to be enrolled in at least 12 credit hours per academic semester and is applied equally to each term in an academic year.

We also strongly recommend that you access and carefully review the **Pre-Arrival Information** at https://youtube.com/playlist?list=PLT05sStrCyflXQRium_A455OqdmEnWdu&si=d-h_LjKKclj6uI3I

For more details on your admission, please read the information on the following page. We look forward to welcoming you to Avila University!

Sincerely,

Rafraf Barrak- Associate Dean of Admissions
