Letter of Recommendation

I feel happy to recommend Jasmeen Kaur D/O S. Sukhjinder Singh & Smt. Satinder Kaur who had been a regular student of this institute for her higher studies abroad. She has passed 10+2 examination under the Punjab board Roll No. 2024129703 in the session 2023-2024.

She had been a dedicated student who stood out among her peers for her learning and conduct. She was a fairly intelligent student who was always keen to learn new things. She has the leadership potential and is also a par- excellence performer of the Punjabi Folk Dances. She was very dedicated and devoted to her studies. Based on my observations of her abilities, I strongly believe she has the potential to complete her higher studies with good grades.
