Dildau Singh.

2023.
(BBA)

After finishing my studies in 2023, I took proactive steps to secure a promising future. I started by attending various career fairs and workshops, which provided me with the chance to explore different educational paths and career opportunities. During this period, I consulted with a career counselor who emphasized the importance of a business and management degree in enhancing my professional profile. Motivated by this advice, I dedicated myself to studying various business topics to grasp the strategies used by successful professionals in the corporate sector. This exploration ignited my interest in pursuing a career as a corporate strategist in a reputable company. Recognizing the global reputation of business programs in the USA, I applied for a business program there. Unfortunately, my initial application was declined, prompting me to reevaluate my options. I have since reapplied for the 2025 intake
