After completing a Bachelor of Arts in 2023, I became interested in understanding how brands connect with their audiences. I spent the next two years working closely with small organizations, such as a clothing brand for ^{youngsters} young men, and a fitness brand offering athletic wear and supplements. I helped them enhance their brand presence through creative campaigns and digital marketing strategies. This hands-on experience exposed me to the challenges of building a consistent brand identity and the importance of strategic planning in achieving long-term success. While I gained valuable practical knowledge, I realized that to truly excel and take on leadership roles, such as a Brand Manager, I needed to deepen my understanding of market analytics, consumer behavior, and business strategy. This realization motivated me to apply for an MBA for the present 2025 intake.
