Dimpal Chauhan (GAP - 2024)

+ 2 Acts  
to  
BBA.

My interest in business was first sparked during my senior secondary education, where Business Studies quickly became my favorite subject. After ~~graduating~~ in 2024, I chose to take a step back and explore the field further on my own instead of diving straight into a bachelor's program. This time of self-study helped me build a solid understanding of the basics of business and management, as well as recognize their importance in every industry. Through this process, I came to see the USA as the best place to pursue my education, as it is home to many global corporations and leading businesses. Now, after this period of self-reflection and preparation, I am confident and ready to take the next step in my journey. I have applied for the 2025 intake
