Saabhjeet Singh

After completing my studies in 2021, I chose to contribute to our family-owned transportation business, taking on key responsibilities like managing logistics, building strong supplier relations, and ensuring smooth day-to-day operations. This experience helped me develop a practical understanding of the industry while sharpening my problem-solving and leadership skills. It also fueled my ambition to pursue advanced studies in business. With a clear vision for my future, I have applied for the 2025 intake in the USA, ready to combine academic learning with real-world experience.
