Dear Indu,

Congratulations on your acceptance into the Master of Healthcare Administration (MHA) program for the Fall 2025 term at Gannon University. Classes will begin on January 8th, 2025.

We are also pleased to offer you the following awards when registered for full time enrollment. Awards cannot be applied to English language training. If you receive both an athletic and academic award, you may select only one.

- **Regional Grad Award** in the amount of **\$5,000**

These awards total **\$5,000** per year.

You are required to take the following courses prior to your registration:

- **Accounting Fundamentals**
- **Quantitative Research Techniques & Statistics**

You must complete these courses through our partner Peregrine Academic Services. The course(s) are self-paced and will be an additional cost. You are required to pass each course with a minimum of 75%.

You are required to present the following official documents before you start class:

- An official college or university transcript(s) and official university certificate of completion.

You can contact your program director with questions about your class schedule and course requirements. Your program director is Richard Stachel, who can be reached at stachel001@gannon.edu or 814-871-7187.

Tuition and fees listed on your SEVIS form I-20 are estimated based on current costs per program and may vary depending on your program fees and housing option.

Welcome to Gannon University!

Sincerely,

George T. Sipos, PhD
