Ocean GAP - 2023
(+2 Auts to BBA)

After completing my studies in 2023, I developed a strong interest in business analysis, recognizing its importance in driving decision-making and efficiency across industries. During my gap period, I dedicated time to preparing for this career by deepening my understanding of business data analysis, market trends, and the tools used in the field. This self-study solidified my passion for business analysis and motivated me to pursue a Bachelor of Business Administration (BBA) in the USA. After completing my BBA, I plan to pursue a master's degree in business analytics to further specialize in this field. I have carefully researched my options and have confidently applied for the Spring 2025 intake.
