Manpreet Singh GAP 2024 + 2 AETS TO USA.

After completing my studies in 2024, I took time to carefully explore options for pursuing a Bachelor of Business Administration (BBA). I thoroughly researched various study destinations. After careful assessment, I concluded that the USA offers the best environment to develop a strong foundation in business education, providing access to global perspectives, advanced learning resources. During this period, I actively engaged in online debates, attended virtual business discussions, and explored topics such as corporate strategy, global market dynamics, and sustainable growth models. These experiences allowed me to develop a forward-thinking mindset, a deeper understanding of teamwork, and the importance of collaboration in achieving success. I have now applied for the Fall 2025 intake for a BBA program in the USA
