

## **Statement of Purpose**

### **Introduction:-**

I would like to introduce myself as Gagandeep Kaur, from Punjab , India native. Regarding my academic background, I have completed my Secondary Education in 2018 from the Punjab School Education Board and passed my senior secondary in 2020 from the same Board and further I completed my Bachelors in 2023 from Punjabi University Patiala and To achieve a better career option in my home country I decided to get a international degree from the United States. since it is a top destination for higher education globally.

### **Why I choose USA:-**

The United States of America is an amazing country that is well-known for its excellent educational and scientific systems. Most international students opt to complete their postsecondary studies at American universities. The system of education is flexible and dynamic. US universities provide excellent programs across all subject areas, and they have an extremely astounding selection of degrees to choose from. Students also have the chance to collaborate with and pick up knowledge from highly accomplished and competent researchers in the subject. It also gives practical abilities and work-related activities more weight. Universities not only set the standard in science and technology but also offer a plethora of recreational, cultural, and educational possibilities that help students form relationships and develop a sense of global citizenship.

### **Why This University:-**

I've done a lot of research and have come to the conclusion that Alliant International University in the US is my ideal university. Alliant International University seems to be a respectable institution that provides excellent practice-based learning in a demanding, cutting-edge setting. After looking into courses and colleges, Alliant International University emerged as the top choice. The smaller class sizes here than at other universities are what initially drew me in, as they promote better learning and student-teacher connection. Furthermore, the university offers a plethora of networking opportunities with regional, national, and worldwide organizations. The multicultural community on campus is seen by students as friendly and inviting. I think that learning in this setting will benefit me in more ways than just enhancing my abilities and making me a professional expert.

### **Why this course:-**

I decided to pursue a MBA at Alliant International University as It is a versatile degree program with a wide variety of career possibilities within the industry. It can enhance marketability as a professional and also the quality and quantity of job opportunities. It will build business, leadership , managerial , and leadership skills as well as a professional network. Moreover, it can improve confidence through leading team projects , taking strategic risks in a safe environment and getting real time feedback. It will also give an in –depth knowledge of management principles and will also equip me with knowledge of real world business

Situations. So I think it will grow me personally as well as professionally.

Goal:-

After completing my degree from USA, I will definitely come back to my home country as my family is here and I am deeply connected with them. Further I have plan to work in one of the top reputed companies with a highly lucrative package. It will help me to succeed in my life a successful professional.
