

Statement of purpose

I would like to introduce myself as Ramandeep Singh. I am writing to express my intent to pursue Master of Business Administration at Lincoln University for Fall 2025 intake. I have always been fascinated by the role of computer application. This early interest evolved into a passion for computer Application during my graduate studies in Computer Applictaion, I have witnessed firsthand the transformative power of technology, and it has motivated me to pursue an MBA to deepen my knowledge and enhance my skills.

I have completed my secondary education from PBSE Board at 2018 where I developed a solid foundation in Physics, Chemistry and Mathematics, Science studies. After completed my secondary education, I have also completed my Graduate Degree i.e. Bachelor of Technology in Computer Science from J.K. Gujral Punjab Technical University at 2022. My journey began in high school when I first learned to Science studies. Then my interest grew during my graduation degree in Computer Science, where I gained a strong understanding of programming, algorithms, and software development.

During my under graduation I enjoy participating in hackathons and coding competitions, which help me think creatively and work well with others. I also volunteer to teach programming to my juniors, as I believe everyone should have access to technology education. My goal is to use my knowledge in computer science to develop innovative solutions that address real-world problems. I want to be involved in projects that not only push technological boundaries but also consider their impact on society.

After completing my studies, I choose Lincoln University offers a well-rounded education that prepares me for a successful career in business administration. One of the best thing is many programs at lincoln offer flexible scheduling options, making it easier for working professionals to balance their studies with personal and professional commitments. Also, the university offers strong career support services, helping students with job placements, networking opportunities, and resume building. Lincoln University offers a comprehensive curriculum that combines technical skills with business studies. Lincoln University offers a well-rounded education that prepares me for a successful career in MBA program.
