LETTER OF RECOMMENDATION

I am gratified to introduce **Ramandeep Singh S/O Sh. Tejinder Singh Roll No. 1806212** who has been my student for four years (**Batch 2018-2022**). It is during this time that I had ample opportunity to estimate him theoretical and practical capabilities. I found him to be a sincere and hardworking student who is willing to put in a lot of efforts and care into the task at hand.

As **Head of Department of Computer Science & Engineering** in **Guru Nanak Institute of Engineering And Management, Naushehra (Punjab)**, I had a numerous occasion to work with him during his graduation career; I observed his growth into a poised and accomplished young boy with superior communication skills.

I got to know him even better when I was **Head of Department** for four years in his curriculum. There I learnt that he had a capability to learn fast. I found him to take interest in all subjects of his course.

Scaling all his anilities in academics as well as extra-curriculum I would rate him as a good student of his batch. I am confident that he will prove his determination and prove himself to be a sublime graduate student. I therefore strongly recommend him and wish him the very best in all future endeavors.

With Best Regards.
