Dated: December 02, 2024

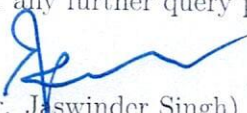

I am pleased to submit letter of Recommendation in favour of Ramneek Kaur d/o Dharminder Singh was a bonafide student of MCA(FYIC) course(Roll No. 27501880544) at Guru Nanak Dev University, Amritsar, India.

During her stay in the University, I observed her as a student, who was eager to learn and keen in grasping anything new in the field. I considered her as an obedient, hard-working, honest and sincere with an intellectual and strong base that have prepared her well to face any challenge in her future.

She is highly motivated and has the ability to spread the positive energy around with an excellent intro-personal skill and amicable nature.

I strongly recommend her candidature for admission to a university/College in for her higher education.

For any further query please feel free to contact me.
