Khushbu Kaur

+2 Commerce to BBA

After completing my senior secondary education in commerce in 2024, I decided to take a gap year to focus on both personal growth and professional development. During this time, I dedicated myself to self-studies, researching market trends, and understanding strategies that drive company growth and profitability. I also explored business articles, case studies, to gain deeper insights into the business world. This period helped me clarify my passion for business and solidified my ambition to pursue a career as a business director in a top company. Recognizing the need for formal education to develop the necessary expertise, I decided to pursue a BBA which will be essential for my future success. I have applied for the 2025 intake in the USA
