## **LETTER OF RECOMMENDATION**

I am pleased to recommended Rohit , a twelfth- grade student from The Olive School, Thol for admission to undergraduate course at your university. As a Arts Teacher , I had been interacting with him in class 11 and 12.

I can state with certainty that he is an intelligent student and possess good analytical skills which make him perform excellently. I have noticed that he tries to reason with great questioning and inquisitive ability while being creative. He is a mature and intelligent person and strives to work against odds, through failures and successes.

He has a good hold on all subjects especially Hindi. He make sure that he fully understands the basic and applies these concepts to more challenging problems. His creative bend of mind has been visible in his class interaction and projects executed in School. He is also exploratory while grounded.

Overall , Rohit is strong in academics. I am absolutely confident that he has a great future and will be an asset to the institute, he will join.

I wish him All the Best.
