

Statement of Purpose

I am **Princi**, a resident of Haryana , **India**. I completed my **Matriculation** from the Central **Board of Secondary Education** in **2017**. Further, I completed my **Senior Secondary Education** from the Central **Board of Secondary Education** in **2019 and bachelors in 2023** .During my studies in Bachelor I developed a deep interest in MBA I often found myself drawn to the intersection in business. **Now** I have decided to Pursue my further Studies From USA.

I choose USA which is a beautiful and welcoming nation that offers the best education in the world. It offers top-notch education by the top educationists. USA is one of the best nations to consider when planning to study abroad. With a variety of benefits to offer USA is my choice since it provides quality education, unique curriculum, and a multicultural environment. The education system is flexible and provides abundant opportunities. The lively and vibrant campuses, cultural diversity and hospitality offered to the international students are impeccable and add up to make the USA a dream study destination. USA has a good number of universities to choose from. After an in-depth research I have selected my dream University **Avila University , USA** .

Avila University is one of the most prestigious universities of the USA. Avila University is largest private university in Missouri. The university is known for playing a vital role in the students' lives. The quality of education, citizenship, personal guidance, and overall development provided by the university makes it exceptional and worthwhile. The university offers a diverse and multicultural environment that will help me in my overall growth. It will enhance my social skills and lead to my personal growth. Along with in classroom and subject centred learning, staying with people from different cultural backgrounds will help me gain knowledge and develop analytical skills too. The curriculum and traditions followed are comprehensive, value centered learning experiences emphasizing on faith, leadership, inclusiveness and personal development.

I have decided to pursue MBA . As this education will contribute to our personal growth.can help you have a successful career in a variety of careers, including management consulting, human resources management, marketing and insurance. It is ideal for anyone who wants to receive training in this field, start their own business or work as a manager in a well-established company. The Business Administration program provides an integrated business education, focusing on providing a solid foundation in functional areas of a modern commercial enterprise crucial for the challenges and responsibilities of today's business world.

After completing my course I intend on coming back to my home nation. This course will help me outshine and gain an upper hand in my field of expertise. I will have a variety of career opportunities open for me in my home country. A degree from Avila University, USA will be impactful and help me create a better mark than others in my chosen field. With cut throat competition and increasing demand for good business development skills this degree will be a valuable asset for me.

I am enthusiastic about the opportunity to join Avila University and contribute to its vibrant academic community. I am committed to making the most of this program and look forward to contributing to and growing within the University
