+ 2 Commence to Bachelor of Economics

## **2.AWALNOOR SINGH ( BLUSH )2023 GAP**

After completing my studies in 2023, I sought opportunities to deepen my practical knowledge in economics and finance. With my father, I ventured into the stock market, analyzing areas such as NIFTY and mutual funds. This hands-on experience enhanced my understanding of economic principles, market behavior, and the intricate balance between risk and return. Realizing the importance of formal education to refine this knowledge, I have decided to pursue a Bachelor's in Economics in the USA, applying for the 2024 intake to gain a robust academic foundation and global perspective.
