## Letter of Recommendation

I am writing this letter to give my highest possible recommendation for Jashan S/o Vishal /Parveen was student of D.C.M.Jain Sr.Sec. School in class 12<sup>th</sup> Humanities (Arts) of Punjab School Education Board with roll no.2024213674 and Registration no. BS/23/40031905008 in session march 2024 and passed the 12<sup>th</sup> arts exam securing 364marks out of 500in second division.

In the capacity of a teacher , I have seen him as a sincere and diligent student .I have always observed a whole hearted participation from him side , in extracurricular activities . I have noticed that he has excellent practical dexterity and He is sensitive in him approach and gentle in him dealings . He is very hardworking, disciplined and poised with confidence and unyielding energy. He has a positive attitude towards humanity and is soft spoken .

I would like to say that apart from being a good student ,Jashan is a person of great vision. I am aware of him dedication of extending him service to majority of people . His sense of confidence is always reflected in his mannerism and his work which definitely needs anyone of appreciation.

His communication skill was excellent and he was very caring individual .Applying himself with persistence and dedication and often going beyond the required is an admirable quality which I believe Jashan has . I am honored to recommend Jashan for his acceptance into your programme and wish him luck for a bright future ahead. I will be happy to answer any queries regarding him.

I wish him all the best.

Regards,
