## LETTER OF RECOMMENDATION

I, Tarsem Kumar, Principal NEW ADARSH SR. SEC. SCHOOL, AMBLI am writing this reference letter in support of Harsh Kumar S/o Sh. Jasbir Singh who is applying to pursue his further studies in your country to the best of my knowledge, I would like to say that she is attentive, studious and always possesses a positive attitude towards academics.

During my relationship with Harsh Kumar I have experienced an individual who shown up earlier than asked, works hard and carries himself in a polite and respectable. In addition, Harsh Kumar is a devout student who has always presented himself with level headedness and grace.

If you have any request or question do not hesitate to contact me.
