+2 ~~Commerce~~ to BBA GAP-

After completing my studies in 2024, I focused on improving my fashion design skills through design competitions and internships with local designers. This hands-on experience helped me enhance my creativity and understand the concept better. As I aim to work with established brands in the future, I realized the importance of combining my artistic vision with business knowledge. To turn my passion into a successful fashion brand, I decided to pursue an ~~B~~BBA in the USA. This program will provide me with expertise in marketing, brand development, and management, helping me take my designs to the global market. I have applied for the Fall 2025 intake and am excited to begin this new chapter.
