Changes to Visa Rescheduling Process with effect from January 1, 2025

To make sure everyone has a fair chance at getting a visa interview appointment and to reduce wait times, we are making some changes.

Starting January 1, 2025, you can still schedule your first nonimmigrant visa appointment at the location of your choice. If you need to reschedule for any reason, you will be able to do that one time.

If you miss your appointment or need to reschedule a second time, you will need to repay your visa fee to book a new appointment. Since wait times are long, please make sure you can attend on the date you have selected.

These changes will make it easier and faster for everyone to get appointments. We encourage applicants to attend their scheduled appointments to keep the process efficient and fair for everyone.

You have scheduled an appointment for a non-immigrant visa to the U.S. Most applicants will have an appointment at the Visa Application Center (VAC), followed by an appointment at the Embassy or Consulate. Please carefully review the important information below. Coming prepared will ensure you the best service possible.

Guidelines on COVID-19

- Applicants will be subjected to body temperature check to assess their health conditions before entering the Visa Application Center.
- Applicants showing COVID-19 symptoms (including fever higher than 37.3 degrees Celsius/99.14 degrees Fahrenheit , cough and/or difficulty in breathing) will be asked to reschedule their appointments to another day.
- Applicants without wearing face mask will not be serviced at the Visa Application Center.
- We advise applicants to use Sanitizer before entering the Visa Application Center.
- Applicants are requested to follow social distancing norms at all times during the process of your visa application.
- By standers and persons accompanying applicants may not be allowed to stand near the Visa Application Center due to social distancing norms.

What documents do I need to bring?

- Appointment confirmation letter
- Your current passport and most recently expired passport
- Print out of the DS-160 confirmation page
- Supporting documents for your application, as applicable. Refer link : <https://ustraveldocs.com/in/en/step-1#visa-types>
- Documents and photographs for any children under age 14

Important notice regarding DS-160 Online Non-immigrant Visa Application/Confirmation page

When booking your visa appointment, you must ensure that you, or your representative, submit a properly completed DS-160 form (online visa application).

If you booked your appointment after November 15, 2023, with an improperly filled DS-160 OR you have made minor corrections to your DS-160, you must bring the confirmation page from the original DS-160 AND the corrected DS-160 to your VAC or document drop-off appointment. If you do not appear with both confirmation

pages, you will be required to reschedule your appointment.

How will I collect my visa once it is issued?

Your appointment letter lists the pick-up location you chose when making the appointment. If your visa is approved, you will receive an SMS and email when the passport is ready to be collected. To collect your passport, you must bring an original and photocopy of government-issued photo ID. Information on how to change your pick-up location or authorize someone else to collect your passport is available at: <https://ustraveldocs.com/in/en/collection-locations>.

Note : The U.S. Embassy/ Consulates in India offer free document pickup/submission services at the OFC where the Embassy/Consulate is located. Applicants collecting/submitting documents from any other locations will need to pay a nominal fee of Rs 850/- per individual at the time of pickup/submission.

Important Note: Please note that passports not collected within 14 working days from 11 Visa Application Centers or within 7 working days from 22 Blue Dart locations will be RETURNED to the respective U.S. Embassy/Consulate.
