## LETTER OF RECOMMENDATION

It is matter of deep pride for me to recommend Ms. Samriti D/o Tarsem Lal who did her Basic B.Sc. Nursing (Batch 2019-2023). She was a sincere and punctual student who performed her clinical as class duties dedicated manner.

As her class teacher during her course from 2019 to 2023 I watched her as young women grow into a mature individual both academically and personally suited for higher & professional education.

I feel confident that she will continue to success in her studies. She has been a sincere and obedient student and was regular in her studies. I would like to state my recommendation for Ms. Samriti and wish her all success in future.

## LETTER OF RECOMMENDATION

I am pleased to recommend to you Ms. **Samriti D/o Tarsem Lal** who is keen to pursue higher studies at your prestigious institution. I have been an integral part of her life for about four years. During this period, as a teacher, I got introduced some of her unique abilities and personality like her disciplined nature and extreme dedication towards studies.

She is highly motivated young woman with exceptional talent and is always on the lookout to learn something new. The most important ingredient of her character is her hard working and “never give up” attitude which stand out and makes a mark in every dimension of her life.

She is an attentive student, receptive to new ideas and has concept and her capacity for lucid presentation. She has a great zeal for higher academics. I have observed whenever I ask question regarding the particular topic she quickly give answer and also try to give with other possible ways.

She has been a consistent performer in studies which is well supported by her academic scores. I rate her among one of the top students of her class. I confidently state that she can accomplish any task assigned to her with utmost devotion and bring laurels to the institute in which this she studies. I strongly recommend her to be considered as the potential candidate for admission at your esteemed University I wish her all the success in her pursuits of academic advancement and the career.

If I can further assist, I will be pleased to answer any additional queries that you may have.
