

I am **Gitika Bakshi**. Coming from a humble family background I hail from **Mullana, Haryana, India**. Academically I have done my **Matriculation** and **Senior Secondary Education** from **Central Board of Secondary Education** in the years **2016** and **2018** respectively. I have even pursued **Bachelor of Business Administration** from **Guru Nanak Institute of Management and Technology** during the session **2018-21**. I took the **Duolingo** test and secured **105 overall**. The world is a learning ground and there is certainly no amount of education that can be considered enough. Therefore, to enhance my knowledge and upgrade my skills I decided to apply for a **Post Graduate Diploma in Management**.

While, there are many good nations that offer this particular course. Yet USA stands as the best and unbeatable nation to consider for pursuing higher education. USA has an unparalleled education curriculum and one of the top-technology that makes it stand as a tough competition in the education sector. One of the reasons for choosing the States for higher education is the high quality of lifestyle and education. A degree earned from US varsity is highly-acclaimed and globally recognised. The program will not only enhance my subject knowledge but will also help me in enhancing my skills such as teamwork, effective communication, leadership, problem solving abilities etc.

With a plethora of options available to choose from I decide to apply for **University of California Riverside Extension**. UCR Extension stands undeniably as one of the top-notch institutions in the USA since past 65 years now. The lively and vibrant campus, cultural diversity and hospitality offered the international students are impeccable and add up to make USA a dream study destination. It offers top-notch education by the top educationists. The education system is flexible and is known for providing abundant opportunities

to the students. Therefore, a diploma earned from a higher education institute from USA will help me in applying the learned skills in my own country.

My motivation to study for a PG diploma in Management is that it will support my choice and passion. This course will help me outshine and gain an upper hand in my field of expertise. I will have a variety of career opportunities open for me in my home country. USA will be impactful and help me create a better mark than others in my chosen field. With cut throat competition and increasing demand for good business development skills this degree will be a valuable asset for me. After gaining this degree I intend on coming back and working with a good and reputed MNC such as PepsiCo, Google, and Nestle etc. in my home country. I am a firm believer that I will be able to excel and succeed in my career by making my aforementioned choices.
