

STATEMENT OF PURPOSE

I would like to introduce myself as Sandeep kaur. I am writing to express my interest in the Master of Science in Healthcare Analytics (MHA) program at Alliant International University. With a deep passion for healthcare and a strong commitment to improving patient outcomes, I am eager to develop the skills necessary to address the challenges of healthcare management and contribute meaningfully to the field.

I have completed my secondary education from PSEB at 2014, where I developed a solid foundation in Science studies. After completed my secondary education, I have completed my Diploma in General Nursing and Midwifery. I have also completed my Bachelor Degree i.e. Bachelor of science in Nursing from Baba Farid University of Health Science, where I gained a solid foundation in Mental Health Nursing, Community Health Nursing, Sociology, Intro to nursing Education, Nursing Administration etc. During my studies, I took particular interest in courses that dealt with organizational behavior, healthcare policy, and management strategies. It can provided me with a comprehensive understanding of clinical practices and patient care

I have carefully reviewed several Master of Healthcare Analytics programs, and Alliant International University's curriculum, faculty expertise, and values resonate strongly with my professional goals. Alliant's focus on ethical leadership, community engagement, and a student centred approach aligns perfectly with my own values and aspirations as a future healthcare leader. I am particularly drawn to the program's emphasis on practical learning experiences through internships and capstone projects, which will allow me to apply theoretical knowledge to real-world healthcare challenges.

To pursue my readiness for Master's-level coursework and communication in an English speaking academic environment, I completed the PTE test, achieving a score of overall 67. This score not only meets but exceeds the English proficiency requirements for the Master of Healthcare Analytics programs at Alliant International University underscoring my capability to engage effectively with the program's curriculum. I am confident that my English skills will support my success in the program and my overall academic and professional growth.

I am enthusiastic about the opportunity to join Alliant International University and contribute to its vibrant academic community. My background in B.Sc in Nursing, combined with the Healthcare acumen I will gain from the MHA, will enable me to tackle complex challenges and drive successful outcomes. I am committed to making the most of this program and look forward to contributing to and growing within the University.
