Plus (2019) → BBA
Curriculum

I grew up watching MasterChef and always enjoyed creating unique dishes. After completing my 12th in 2019, I spent quality time with my mother, practicing recipes and participating in cooking competitions. Winning a few local contests with her gave me great confidence. We even set up a food cart at exhibitions to interact with real customers and understand their preferences. While the experience was exciting, I soon realized that passion alone isn't enough to succeed in the food industry. Running a successful food business requires knowledge of strategy, branding, and leadership. I also dream of organizing cooking events to provide good platforms to great talents. To make this dream a reality, I need a strong foundation in business — which is why I've applied for a BBA in the USA for the 2025 intake.
