

It is my pleasure to inform you that your outstanding high school record and test scores have earned you admission to Georgia Southern University. My sincerest congratulations!

You provided the following information on your application for admission:

Georgia Southern University provides transformative learning opportunities to meet the needs of a diverse student population through its legacy of commitment to academic excellence and personal attention. With three vibrant campuses — the Armstrong Campus in Savannah, the Statesboro Campus, and the Liberty Campus in Hinesville — you will be a part of learning environments that foster an inclusive, student-centered culture of engagement designed to prepare you for lifelong service as a scholar, leader, and responsible steward of your community.

Your acceptance to Georgia Southern University is contingent on your successful completion of the Required High School Curriculum as specified by the University System of Georgia. It is important that you monitor your progress toward the completion of this curriculum while also maintaining the minimum required high school grade point average. Additional information about the Required High School Curriculum can be found online at GeorgiaSouthern.edu/admissions. Information about important required steps to enroll can be found at GeorgiaSouthern.edu/accepted and in the acceptance packet you will receive in the mail.

Once again, congratulations to you! We are very proud of your accomplishments and are looking forward to having you as a Georgia Southern Eagle! Please call us at 912-478-5391 if there's anything we can do to help!
