Khushpreet Kaur . GIAP - 2023 [+2 Commerce to Economics]

After finishing my senior secondary education in 2023, I took the initiative to learn about financial services and market analysis through self-study and online resources. The more I learned, the more I realized how important things like economic policies, business strategies, and market research are in making business decisions. This inspired me to pursue a Bachelor of Economics to gain technical knowledge in financial management and economic analysis. During this time, I focused on improving my English skills and started building a basic understanding of business economics. My goal is to become a business strategist, and I believe this program will help me achieve that.
