To whom it may concern

I have a great pleasure in recommending Miss Barbie in her pursuit of higher educational qualification. I have been acquainted with her for two years i.e. from 2016 to 2018, as a student of humanities group under +2 stream in D.M. Collegiate Sen. Sec. School Moga.

She has a good understanding of the fundamentals in this subjects which will help her a great deal in furthering her skills during graduate studies in her proposed field. She is optimistic, communicates effectively while workings as a part of a team and has strong work ethic. I find her to be dedicated & tenable student. I am confident that she will excel in her higher studies.

She is interested in strengthening her academic proficiency. Your program will benefit her by training and challenging her to become a skilled professional. I strongly recommend her to your university.

If you want further information, please feel free to contact me.
