Date: .....<sup>o</sup>.....

Life took an unexpected turn after I completed my studies in 2021. I was diagnosed with a severe liver condition that required a prolonged medical treatment. Just as I recovered my brother faced the same illness and had to undergo a liver transplant. During this period my priority was my family. I took on responsibility of taking care of my brother throughout his recovery. These experiences not only deepened my bond with family but also strengthened my resolve to pursue my academic dreams. I am now finally ready to focus on my dream to study BBA in USA and applied for the present 2025 intake.
