PERSONAL CIRCUMSTANCES

I would like to inform you myself as Soumay Mathur. I have completed my higher education Grade 12 from CBSE board. I've always had a strong interest in physics, Chemistry and Mathematics, I believe it will help me develop the skills needed to pursue my goals. In higher studies which sparked my passion for science study. Outside of academics, I enjoy playing cricket listening music, and I believe that these activities help me stay balanced and bring a creative perspective to my studies. After careful consideration, I have determined that your university offers the ideal environment for me to grow both academically and professionally in the field of information technology. I'm really excited to meet new people, collaborate on projects, and grow both academically and personally. I've always had a deep interest in Computer Information System, and I believe this program will give me the knowledge and skills to pursue a successful career in this area. I have always been interested in technology. Through this program, I hope to learn how to use computers and software to improve businesses and help organizations work more efficiently. I am confident that studying Computer Information Systems will help me achieve my career goals and contribute to the rapidly growing field of technology. I am particularly excited about the opportunity to engage with professors and peers who share my passion and enthusiasm for this field. Please let me know if you require any additional information or documentation to support my application.

Thank you
Soumay
