[+2 Commerce to BBA (entp.)]

After completing my studies in 2024, I dedicated a year to analyzing the challenges and opportunities in my family's retail business. My focus was on streamlining operations, introducing modern marketing techniques, and identifying areas for expansion. I initiated small-scale changes like using digital platforms for promotions and implementing inventory management systems, which resulted in improved efficiency. However, I realized that achieving sustainable growth requires a deeper understanding of entrepreneurial strategies and global markets. This realization motivated me to apply for a BBA with a concentration in Entrepreneurship in the USA for the 2025 intake.

Also, I prepared for IELTS in which I scored 5.5 bands
